

DUMBBELL RACK TWIN TIER

JFBR - 1130

The heavy duty twin tier dumbbells rack allows to load ten pair of dumbbells. The half round rubber saddles provides longer life and safety while placing the dumbbells on the dumbbell rack.

FEATURES

- ◆ **Two-Tier Design:** Offers ample space to store multiple dumbbells efficiently while keeping them organized.
- ◆ **Heavy-Duty Construction:** Designed with sturdy construction to securely support heavy dumbbells.
- ◆ **Angled Shelves:** Designed with a slight angle for easy access and safe placement of dumbbells.
- ◆ **Non-Slip Holders:** Features secure, rubberized slots to prevent dumbbells from rolling or slipping.
- ◆ **Compact and Stable:** Space-saving design with a sturdy frame ensures maximum stability during use.
